Honorable Tim Burgess  
President  
Seattle City Council  
City Hall, 2<sup>nd</sup> Floor

Dear Council President Burgess:

I am pleased to transmit the attached proposed Council Bill that amends the 2012 Seattle Fuel Gas Code that was adopted last year. This bill clarifies the procedure for review of DPD decisions about permit applications.

We are submitting seven related bills that amend different construction-related codes. Some of the amendments are repeated in each of the bills. Every three years the City adopts a new edition of the codes except for the Grading Code. These bills make smaller changes that are nonetheless important to have in place until the next code editions are adopted in 2016.

Thank you for your consideration of this legislation. Should you have questions, please contact Maureen Traxler at 233-3892.

Sincerely,

Edward B. Murray  
Mayor of Seattle
